Aluminum Linen Distribution Carts

Meets Joint Commission Codes 100%

Light Weight and Durable -

Rounded corner design and aircraft riveted construction, these models are known for their exceptional strength and durability. All **L-Series** models are handcrafted from **ANODIZED ALUMINUM ALLOY** (military and marine specifications).

L-77 Multi-Compartment Cart
Shelving allows inventory control.
Over 10 Standard Sizes.

Ease of Mobility

Equipped with 6"x 2" or 8"x 2" wheels. Precision, non-marking ball bearing wheels, our carts roll with ease! Optional caster arrangements allow for total maneuverability. Variety of Wheel Treads, Matched to Flooring at your Facility.

Shelving

L-Series shelving is completely adjustable.

- Custom Interior Shelving available.
- **Front Closures:**
- Flexible Front Vinyl Covers - Choice of Colors
- Pass-Thru Acrylic Covers
- Locking Doors: Bi-fold, Roll-Up and See-Thru
